

APRIL 2017

KMAP GENERAL BULLETIN 17085

UPDATED Kansas Organizational Provider Credentialing/ Recredentialing Application

In an effort to streamline the current KanCare credentialing process, an updated Kansas Organizational Provider Credentialing/Recredentialing Application will be available for use by all providers applying to a KanCare managed care organization (MCO) beginning May 1, 2017. This new application will replace any previous versions and will be required for all applications received by the MCOs on and after June 1, 2017.

On May 1, 2017, the updated Kansas Organizational Credentialing/Recredentialing Application will be available as a fillable PDF form on the following web pages:

- [Become a Provider](#) page of the KanCare website
- [KanCare](#) page of the KMAP website
- [Amerigroup](#)
- [Sunflower Health Plan](#)
- [UnitedHealthcare](#)

It is required to be completed in its entirety only one time. For providers wanting to enroll with multiple MCOs, they can open the completed application, change their MCO attestation, print, and sign the application. An original, wet signature is required for each individual MCO. The updated application is also required for those providers needing to be recredentialled.

Additionally, an *HCBS Supplemental Form* is available for applicable providers on the [Become a Provider](#) page of the KanCare website and under the **Provider Information** heading on the KMAP [Forms](#) page. It includes updated information related to Panel/Capacity size, as required by the updated CMS Network Adequacy standards.

Answers to frequently asked questions are on the following page and under Provider Enrollment on the KMAP [FAQs](#) page. Specific credentialing questions can be directed to each respective MCO.

Kansas Organizational Provider Credentialing/Recredentialing Application and
HCBS Supplemental Form
FAQs

Q Where will the new application be located?

A Both the Kansas Organizational Provider Credentialing/Recredentialing Application and HCBS Supplemental Form will be available on each MCO's website. These documents will also be on the KMAP website.

Q Is this application also required for fee-for-service providers?

A No. Providers need to enroll via the current KMAP Enrollment Portal.

Q Will this application be required for provider recredentialing too?

A Yes. Providers must recredential every three years with the MCOs.

Q What is meant by "wet signature"?

A An original, ink signature that has not been photocopied or digitally signed.

Q Who can I contact with further questions regarding the form or the application process?

A Please direct additional questions to any of the three MCOs.
