PRA MUE Change

Effective with processing dates on and after November 27, 2019, retroactive to date of service on and after July 1, 2019, the Practitioner (PRA) Medical Unlikely Edits (MUE) value of 0 for use with procedure code T2046 will be changed to a 1. Claims denied for T2046 because of the MUE value will be identified and reprocessed.

Note: The effective date of the policy is November 27, 2019. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The KanCare Open Claims Resolution Log on the KMAP Bulletins page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
