Total Parenteral Nutrition (TPN) Solution Pricing continued

- B5100 Parenteral nutrition solution; compounded amino acid and carbohydrates with electrolytes, trace elements, and vitamins, including preparation, any strength, hepatic-FreAmine HBC, HepatAmine
- B5200 Parenteral nutrition solution; compounded amino acid and carbohydrates with electrolytes, trace elements, and vitamins, including preparation, any strength, stress – branch chain amino acids

Note: The effective date of the policy is May 1, 2020. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The KanCare Open Claims Resolution Log on the KMAP Bulletins page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
