## KMAP GENERAL BULLETIN 20075

# Revision to April 2020 NCCI PTP and MUE Files - Telemedicine and COVID-19 Related Services

Effective with processing date April 24, 2020, retroactive to dates of service on and after January 1, 2020, CMS revised National Correct Coding Initiative (NCCI) Procedure-to-Procedure (PTP) Practitioner (PRA), NCCI PTP Outpatient Hospital (OPH), NCCI Medically Unlikely Edit (MUE) PRA and NCCI OPH files related to the 2nd quarter 2020 NCCI and MUE updates. Centers for Medicare and Medicaid Services (CMS) removed limits on telemedicine and COVID-19 related services. There are no revisions to the Durable Medical Equipment (DME) files. Affected claims will be identified and reprocessed.

**Note:** The effective date of the policy is April 24, 2020, retroactive to dates of service on and after January 1, 2020. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The KanCare Open Claims Resolution Log on the KMAP Bulletins page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented
