MS-2126 Instructions

1. The facility initiates the MS-2126 under the conditions specified in KEESM 8184.1 within 5 days of the event/request. Specific conditions prompting an MS-2126 include:
    - A medical recipient is admitted or discharged from the facility
    - A resident files an application for medical assistance
    - A resident has been absent from the facility for 30 days or longer
    - A resident changes level of care
2. Sections I and II are always completed.
3. Sections III or IV are completed as necessary.
4. If the resident is in JJA custody, note this in Section I under Responsible Person or Agency. Contact the designated individual in the DCF Regional Service Center if additional information is needed.
5. For PRTF, follow processing guidelines outlined in the appropriate KMAP provider manual regarding prior authorization and prescreening.
6. Indicate the results of any required preadmission screening. It is the responsibility of the admitting facility to ensure these requirements are met.
   Note: A CARE assessment is NOT required for Swing Bed placements.
7. The facility retains the original MS-2126 and submits a copy to the Kancare Clearinghouse.
8. The Kancare Clearinghouse will notify the facility when payment is approved or denied. The facility will also be notified of the effective date and any applicable patient liability.
